(Please inform us ASAP if you are unable to attend your lesson so others can book your spot for that week!)

Can I choose my teacher?

Yes, of course! However, bookings are **subject to availability*** in the class of your choice as we have capped the total number of structured course students per class.

Check with Denise for the availability of slots in the class that you're interested in!

If the class of your choice is **full**, you will be **put on a waitlist** for that class and once a space becomes available, you will be **informed and slotted in right away!**

**Bookings are only taken up to 2 weeks in advance. For bookings that are planned for dates >2 weeks in advance, please check back with Denise when it's closer to the date itself!*

*(Applicable to **rescheduling** as well.)*

BOOKING POLICIES

1 class timing will be reserved for you weekly to complete your course in the class of your choosing.

Students are **allowed to take multiple classes per week** from different teachers (depending on space availability), or decide to skip a week as long as they are able to complete the 8 lessons under 10 weeks.

Students **cannot switch to a different structured course** until their current course is completed. **If they would like to switch to a different structured course**, they will have to **purchase a new set of 8 lessons** for the different courses.

Switching to **personalised art lessons midway during the course is possible**. An **administrative fee of \$20** is applicable for the transfer of remaining lessons.

Certificates will not be presented for the incomplete structured course.

There are **no refunds** of course fees once the 1st lesson has been attended.

\$100 of the course fee will be retained by the studio if you wish for a refund **before the start of the course** for booking and administrative inconveniences.

Promotions are available for those who intend to continue their next course.

Lessons cannot be replaced by someone else.

Late notice and no shows will result in the particular lesson being **forfeited** and **students will have to purchase additional a la carte lesson (\$60) per no show**, to complete the course within the validity period, **course lessons will still continue progressively**.

After 10 weeks has passed, all remaining lessons will be forfeited.

The start date of each course **cannot be postponed after booking is confirmed**.

Rescheduling of lessons is allowed with a **minimum of 2h** before the start of class.

What if I want to continue my lessons?

You may choose to **continue to your next course level** or **opt to take on a set of personalised lessons to complete unfinished works** or **fine-tune the skills you have learnt** with the same teacher guiding you at your own pace.
